‘Inspiring People, Creating Opportunities’

Dear Parents and Carers

Welcome to Aston Lodge Primary School.

My name is Hayley Middleton, I currently have two children in school and have been a school governor for eight years. I have recently taken over the role of Chair of Governors at Aston Lodge and I wanted to take this opportunity to explain my role and how it impacts on ensuring that your child receives the best possible education during their time here at Aston Lodge.

Firstly, I work very closely with Donna Humphries - Executive Head and Lisa Stones – Head of School to promote and encourage a high standard of education for each individual child. This is achieved by offering an exciting curriculum, delivered by committed teaching staff in amazing and enriching environment. We have a fantastic support network should any child require any additional support.

Both myself and the Governing Body are committed and responsible for monitoring the educational performance of the school and challenging the school leaders to ensure that high standards are met at all times.

As Chair, I firmly believe that the school is moving in a very positive direction ensuring that every child is at the heart of everything we hope to achieve in the future, here at Aston Lodge.

Yours sincerely

Hayley Middleton  
Chair of Governors
