

**Aston Lodge
Primary School**

Show Pride • Reach for the Stars

Dear parents/carers,

In the event of a school closure due to the current coronavirus situation, we will be setting children learning tasks which will be sent home. It is the responsibility of parents to ensure the continued education of the children by encouraging them to complete the work set for them, should the school be closed. Teachers will be contactable via ClassDojo between 8.30am and 4.30pm to offer guidance and assistance with your child's learning.

We will be sending home the following:

- Common exception word lists for children to learn spellings
- Writing prompts to encourage sentence writing
- Maths worksheets in line with the current and continued class learning, number lines and 100 squares
- A topic based project
- There will also be an expectation that children will read daily, this could be their school reading books or any other books available to them

Please also encourage children in Y1/2 to log into Times table Rockstars and Teach Your Monster To Read, as well as other educational websites provided in the list.

We will keep you informed via the school website, should the school be closed for a longer period of time. If you have any questions about the information outlined please do not hesitate contact us.

Kind regards,

Miss Cotterill, Mrs Howarth-Smith and Miss Hamilton

-
