

In the event of a school closure, the expectation will be for the children to complete work at home on a daily basis.

In order to support you and your child with this, we will send home the following:

- A maths pack
- Statutory spelling lists for the children to learn
- KS2 writing tasks
- Website list with recommended educational websites
- Complete a topic related project. This will be WW2 for Year 6, Victorians for Year 5, Romans for Year 4 and Stone Age for Year 3/2

In addition to this, there will be an expectation that the children read at least three times per week.

During the time at home, if you have any questions, please do not hesitate to contact your class teacher via class dojo.

Kind regards
KS2 staff
