<p><b>Background and Context</b></p> <p>The PSSP was introduced from April 2013 to help schools improve the quality and breadth of their physical and sport education. Schools are free to determine how to best use this funding with the expectation that there will be an increased participation by primary aged pupils in PE &amp; Sport to help develop healthy lifestyles and reach the performance levels they are capable of. The grant for schools will make additional and sustainable improvements to the quality of PE and sport we offer.</p> <p>Following the Ofsted report “Beyond 2012” that identified the need for additional support in Primary Schools for the development of Physical Education &amp; Physical Activities, the Department for Education in partnership with the Department for Health have invested £150 million in a national programme to improve the qualities of Physical Education. Each school has been allocated funding to deliver their own individual programme. From September 2013, inspectors will assess and report on how effectively this funding is being used to improve PE &amp; Sport provision. The government has committed to extending the Sport Premium funding until the year 2021, at the increased capacity.</p> <p><b>Covid-19 Impact &amp; Recovery Curriculum</b></p> <p>Due to the uncertainty surrounding National Governing Bodies for the number of different sports taught throughout the enriched Physical Education curriculum, the recovery model will focus on the different components of fitness with personal challenges undertaken and progress recorded and monitored through term 1. The focus will be on individual achievement, with pupils rewarded for their participation in weekly activities and monthly fitness testing and retesting. Pupils will achieve bronze, silver, gold and platinum for high scores, attainment and improvement with ‘I can...’ being the statement driving the children to achieve their personal goals and aspirations. The focus on fitness, health and wellbeing will not only benefit pupils physically, but mentally and socially in their reintegration into school life. The underspend from 2019/20 will be committed to the recovery curriculum, with additional sessions and active break / lunch time provision being funded.</p>	

### Rationale of PSSP

Aston Lodge is committed to enabling all pupils to achieve to the best of their abilities. As well as adopting healthy lifestyles we want our pupils to enjoy, regularly participate in and reach the highest sporting performance level they are capable of.

We use a team of specialist coaches to support in the delivery of Physical Education and physical activity. We have jointly developed a programme of activity that aims to provide:

- ✓ A balanced programme of Physical Education & Physical Activity
- ✓ A recovery model which focuses on personal achievement and improves physical and mental health
- ✓ An extra-curricular programme including after school clubs and inter school fixtures
- ✓ A training programme to up skill teaching staff and to deliver high quality physical education in school (CPD during curriculum time delivery)
- ✓ A comprehensive assessment process which is collated across the trust
- ✓ Progressive lesson plans for individual sports starting at EYFS, all the way through to Y6
- ✓ A programme for gifted and talented pupils in football, netball and climbing
- ✓ Access to outdoor adventurous activities including water sports, archery and climbing
- ✓ Access to a range of competitive sports, additional to the National School Games
- ✓ Access to additional swimming opportunities to help Y6 pupils achieve 25m as well as support for the rest of KS2
