

AUTUMN TERM 2
HOLLY CLASS - YEAR 5

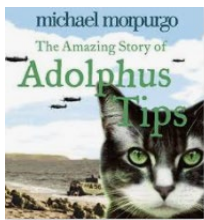

I am delighted to welcome the children back after half term and I am incredibly excited about what the children are going to learning about.

TOPIC:

Our topic continues to be World War II. This half term, we will be focusing on the role of women during the war and how this paved the future for greater equal rights for women. We will be also be learning about some of the horrors of the holocaust and why the Nazis sent some people to concentration camps. Finally, we will be learning about the significance of Remembrance Day.

ENGLISH:

Our SFA (success for all) texts used in English continue to support our topic work beginning with 'The Amazing Story of Adolphus Tips' written by the famous author 'Michael Morpurgo. As well as this, we will be doing some newspaper report writing about VE day.

ART/DESIGN AND TECHNOLOGY:

In art we will be designing our very own propaganda posters and in Design and Technology we will be designing and making our very own Anderson Shelters. I can't wait to see the work that the children produce!

SCIENCE AND MATHS:

In science we will be learning about three very exciting topics: humans (living things), light and sound. In mathematics our topic continues to be statistics. Finally, we will move on to multiplication and division and measurement (perimeter and area).

As you can see, we are going to have a very exciting half term!!!
