

Dear Parents/Carers,

Today I write to you to acknowledge what a challenging term this has truly been for all. However, together we have done an amazing job to provide a high quality education for our pupils and your children. We understand that each and everyone of our families are unique and face different personal circumstances and challenges during this global pandemic.

Pupils have been working so hard and teachers have given out lots of Dojo points, we could not be prouder of you all. The Dojo shop has now been restocked.

The staff and governors at Aston Lodge wish to take the time to acknowledge that you are doing a fantastic job of homeschooling whilst often juggling your own jobs and other family commitments.

We thank you and appreciate the continued support you have given the staff during this third lockdown. If your child is not attending school please remember that we are here for all our families. If you need any further support please do not hesitate to contact us and we will do our best to help in any way.

Please take a well earned break this half term.

Take care, stay safe and remember you are doing an awesome job!

Kind Regards

Mrs. Cronin, all staff and the governing body
