Year 1 - Autumn 1 - Science - Earth & Space

I know the size order of The Moon, Earth, and Sun.

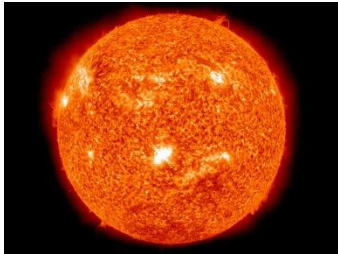

I know the planet we live on is called **Earth**.

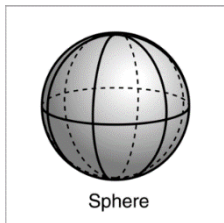

I know Earth has **land, water and air** so animals and plants can live.

I know **The Moon** does **not** have land, water or air. I know that means that nothing can live or grow here.

I know that plants need **sunlight** to grow. I know that **The Sun** can be **dangerous** and eyes need to be protected.

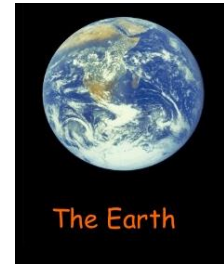

Sphere

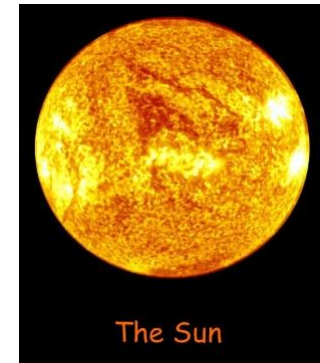

I know The Moon, Earth and Sun are shaped like a **sphere**.

smallest

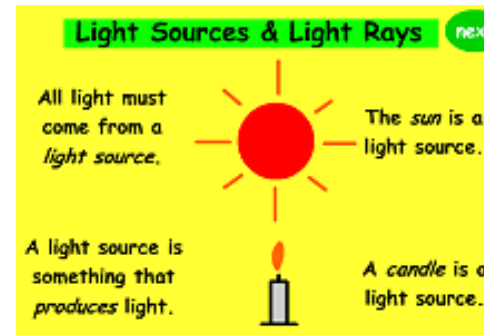

The Earth

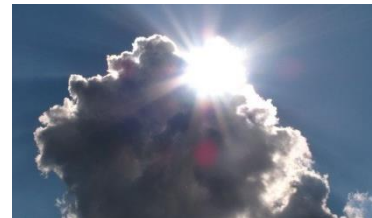

The Sun

largest

I know The Sun is a **light source**.

I know The Sun is a **source of light** even when it is behind a cloud.

Forces

I know humans **move** objects with a **push or pull**.

force

pull

push
