

MEET THE SENDCO

Miss Burton

Here at Aston Lodge, we are passionate about ensuring that all children access a broad and balanced curriculum and that your child's time in school is both a happy and enjoyable experience. As SENDCO, I ensure that all staff are informed and updated about children on the SEND register and that all staff understand how best to help a child with SEND. I provide professional guidance and deliver in house training for all staff that support children with SEND. I work closely with teachers, support staff and outside agencies, therapists and other professionals to ensure a child's needs are met both academically and on a social, emotional level.

If you have a child with special needs and need help, advice or a sympathetic ear, please do not hesitate to ring the school office to leave your details and I will call you back. Alternatively, you can send me a message via class dojo.

I look forward to hearing from you.

Many thanks for your continued support.
