

WEEK 1			
DAY	FOCUS	OUTCOME	STAGE OF THE WRITING PROCESS
Monday	Text analysis	Children will look at the <i>'craft of the writer'</i> .	<div style="background-color: #e0e0e0; padding: 10px; border-radius: 10px;"> <p style="font-size: 2em; font-weight: bold; margin: 0;">01</p> <p style="margin: 0;">READ &amp; EXPLORE</p> <p style="font-size: 0.8em; margin: 5px 0 0 0;">Writing begins with exposure to a particular genre through visual literacy e.g. books, film, video clip etc. Children to be exposed to a variety of model texts depending on the type of genre being taught. They will be given the opportunity to explore and discuss features as well as drawing attention to the relevant, genre specific GPS.</p> <p style="font-size: 0.8em; margin: 5px 0 0 0;">Children to analyse unfamiliar words, vocabulary, words and phrases they want to use in their writing. SEND children to work as part of a guided group or have scaffolds that enable independence.</p> </div>
Tuesday	Background knowledge	Children will build background knowledge on their 'new write'. This will be in the form of research or building vocabulary around their new text type.	
Wednesday	Explicit grammar focus	The teacher will pick one feature of grammar that children identified as a feature in the WAGOLL text earlier in the week. They will then explicitly teach this area of grammar and allow children to practice this on a whiteboard/with a partner first, before they recall these skills on a worksheet or in their book.	
Thursday	'Box-Up' paragraphing	Children given the 'Box-Up' version of the chosen text where they discuss and analyse each paragraph. Ensure that the children include the grammar feature taught in the previous lesson.	<div style="background-color: #e67e22; padding: 10px; border-radius: 10px; color: white;"> <p style="font-size: 2em; font-weight: bold; margin: 0;">02</p> <p style="margin: 0;">READING AS A WRITER</p> <p style="font-size: 0.8em; margin: 5px 0 0 0;">At this stage, children will be given the 'Box-Up' version of the chosen text</p> </div>

Friday	Planning	Class teacher will do a live model of writing using the 'I, We, You' approach. They will produce a model of excellence applying the grammar and vocabulary introduced earlier in the week.	<div data-bbox="1451 231 1906 687"> <p><b>03</b> PLANNING</p> <p>Children to use the 'Planning Ideas' section of the Box-Up model to write down their own ideas based on what they have learned about writing from the model text. It is important at this point to discuss and model 'author's voice' as this demonstrates emotions, attitude and point of view as well as formal or informal, which directly affect the reader.</p> <p>SEND children to use a shared plan where possible with adult support.</p> </div>

WEEK 2			
DAY	FOCUS	OUTCOME	STAGE OF THE WRITING PROCESS
Monday	Initial Draft	Children to recap the focus grammar and vocabulary. Ensure the 'author's voice' is used throughout the modelling process and that there is a focus on high vocabulary used.	<div data-bbox="1357 900 1830 1329"> <p><b>04</b> CONSTRUCTING &amp; WRITING</p> <p>GPS to be modelled by the teacher throughout the writing journey. Ensure that 'authors voice' is used throughout the modelling process, which incorporates co-ordinating conjunctions, subordinating conjunctions as well as various sentence starters and rich vocabulary consequently consolidating understanding of the writing process as a whole.</p> <p>It is imperative to include and model responding to feedback and editing at this point</p> </div>

<p>Tuesday</p>	<p>Marking and Feedback</p>	<p>Teacher to ensure that the initial writing has been marked in line with the 'Brag' marking policy. Dedicated teaching time to be given to respond to the marking. Re-teach where appropriate, provide scaffolds where needed e.g. vocabulary lists, concept maps, idea prompts, useful phrases, further modelling, using talk between teachers and pupils (dialogic teaching)</p>	 <p><b>05</b> MARKING &amp; FEEDBACK</p> <p>Marking and feedback should be done as per the school policy. Teacher should make sure that all children have a 'Next Step' to ensure improvement and empower the child as a writer.</p> <p>It is also important (at this point) to pick up any non-negotiables (year group dependent) to reinforce expectations.</p>
<p>Wednesday</p>	<p>Editing and Improving</p>	<p>Teacher to model live editing. Some children at this stage may use success criteria based on the genre.</p>	 <p><b>06</b> EDITING &amp; IMPROVING</p> <p>Ensure that editing and improving is a key element of the writing journey therefore time should be allocated to this process. Editing should be modelled for example, spotting spelling mistakes, comma splicing and variation of sentences. This can be done by either choosing photocopying a child's piece of writing or a teacher example.</p> <p>The children can then edit and improve independently/in groups/in pairs/ whole class.</p>

Thursday	Further editing and improving	Further editing and improving of the work based on BRAG marking principles.	<div style="background-color: #f4a460; padding: 10px; border: 1px solid black;"> <div style="display: flex; align-items: center;"> <div style="font-size: 2em; margin-right: 10px;">07</div> <div> <p><b>FINAL READ</b></p> <p>All children should be given the opportunity to read the final product either aloud to a peer or to a teacher. Children should respond positively to include one thing they really liked and one thing that may improve it next time.</p> <p>I really liked ... because ... . Next time you could ... because ...</p> </div> </div> </div>
Friday	Publish	Children to read published piece to peers, in front of class, assembly, headteacher, younger children, displayed and celebrated.
