Congratulation's Aston Lodge Primary School

Local Community group Aston Tara have funded local community awards project thanks to funding from the Co-op. Our aim was to award all local Schools, shops, Care home in our community for their support in the community during the Covid-19 pandemic.

We are proud to present Aston Lodge Primary School with an award & certificate for its role as key workers in the community.

We do have some unique key workers badge to hand over & if you can confirm how many staff you had working during the pandemic we will forward those on to you

All we ask in return is a staff photo with the award sent to our email (see above) or you can post a photo on Aston Tara Facebook page.

Once again Congratulations to all Aston Lodge Primary School staff for your role as Key Workers in our Community

Kind Regards

Aston Tara Committee
