# SENSORY ROOM

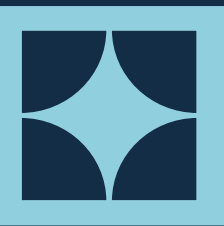

Many children accessed our sensory room last term.

Staff in school participated in online sensory training with Sadie Charlton.

Y6 students benefitted from sensory circuits in preparation for their SATS before the summer.

We are also grateful to Mr and Mrs Ablett for kindly donating a voucher which has enabled the school to purchase sensory equipment. We are most grateful!

# TRUST SEND MEETINGS

At Wickersley Partnership Trust, we value the importance of collaboration.

As a result, Trust SENDcos meet regularly in order to plan training opportunities for both teachers and support staff.

We have also been creating support documents to help staff ensure quality first teaching and to ensure relevant adaptations are made to support all children within our classrooms.

# SEND DROP-IN SESSIONS

Since COVID, there has been an increase in the number of parents concerned about: mental health, resilience, anxiety, parenting skills, behaviour at home, reward and consequence strategies, and how to establish routines at home.

We are therefore looking to start some drop in sessions for parents to come in, chat, vent and support each other. Keep an eye out for more information about this within the next few weeks.

# AUTUMN 1 – UP NEXT

From the start of the 23/24 academic year, we will be providing regular SEND updates on our website and social media channels.
